Mission Support

Modernizing the Workforce

USSOCOM Warrior Care Coalition Program

Our partnership with USSOCOM via the WarriorCare Coalition Program allows us to bring in transitioning veterans and train them in all aspects of the Defense contracting sector

SPATHE Workforce Incubator Programs

We source young talent with new academic insight to work on real projects. We aim to provide real-world experience for our interns enabling them to further their careers.

The Spathe Difference

SPATHE is an 8(a) and Service-Disabled Veteran-Owned Small Business (SDVOSB). Our focus is on absolute customer satisfaction through communications, collaboration, and our proven performance. Our customer-centric focus ensures we meet and exceed mission-critical goals while maintaining the nimble culture of a small business. SPATHE is defined by our diverse team of professionals with backgrounds in SOF, business, and academia.
